?? ITALIAN ERGONOMIC DESIGN: New 2020 Version with Integrated EVA Central Seal on the Patella, Better Performance Compared to Foam Pads, 100% Patella Stability, Uniform Dispersion of Knee Pressure, avoiding displacement of the patella effectively, protects against excessive strain during intense physical exercise offering a Guaranteed and Certified Safe Remedy for all Sports.

?? PREMIUM QUALITY: The best on the market, we used new materials of the latest generation such as padding, laces and reinforced velcro making it more resistant and comfortable, it adapts perfectly to any build for men and women, the 4 lateral knee support strips make it better than the traditional ones that only have 2; each strip has a strength of 4.36N, ensuring maximum support during all exercises.

?? MAXIMUM COMFORT: Three Ultra Reinforced Velcro Straps, for a better adjustment of the knee circumference and pressure, guarantee total absence of movement, you will not have to adjust it again once worn. Innovative fabric in soft more breathable neoprene, More holes for perspiration that avoid unpleasant sweating and skin irritation, making the skin fresh at all times.

?? ORTHOPEDIC CERTIFICATIONS: Orthopedic Patellar Knee Brace Class 1 Medical Device, CE / FDA certifications recognized worldwide, obtained thanks to the excellent quality. This makes us the leading company in the sector. Our focus exclusively on your health to make you get the best. One Size, from 30 to 55 Cm, the only one on the market.

?? 10 YEARS TOTAL WARRANTY: Certain of our Quality, unlike the other Knee Pads, that of AmelùShop does not require particular prescriptions and / or contraindications. Not suitable for children under 6 years of age. Practical travel case + instructions as a gift. H24 post purchase assistance.
